

Why should you switch to M&P Bank?

Because while others come and go, Merchants and Planters has been a locally owned community bank for 70 years. Our employees are our largest share-holders, so they're seriously invested in making you happy. One last reason, we make it easy. Stop by one of our 10 locations, sit down and let us handle it from there. We'll set up your new accounts and transfer your direct deposits, auto drafts, CDs or IRAs. We'll show you how to bank online or on your phone, and answer any other questions you might have. Now is the time to change for good. Make the move to Merchants and Planters Bank and come grow with a bank that will never outgrow you.

Here's how you get started:

1. Complete the New Account Application and other applicable information sheets provided in this Switch Kit. This Switch Kit may be used for any type of account at Merchants and Planters Bank.
2. Bring your completed Switch Kit to any convenient Merchants and Planters Bank location.
3. Provide us with a government issued picture identification (driver's license, passport, or military ID).
4. A new account representative at Merchants and Planters Bank will take care of the rest.

Is it a hassle to switch my direct deposit and automatic payments/draft on my checking account?

Not at all. We'll assist you with every step in switching to your new account with Merchants and Planters Bank.

May I use this Switch Kit to open more than one account?

Absolutely. Just tell a new account representative exactly what types of either checking or savings accounts you would like to open. We'll make switching easy.

What if I have questions?

Contact one of our offices listed below, and one of our new account representatives will be glad to assist you:

Today's Date

Complete one form for each automatic payment/draft drawn from your account.

Please bring a copy of your bill or statement with you showing the mailing address for each automatic payment/draft you would like to change or set up.

ACCOUNT CLOSURE CHECKLIST

Before closing your existing account, review this list.

1. Make sure all checks have cleared your existing account.
2. Make sure all automatic payments, drafts, withdrawals, and direct deposits have been switched to your new account at Merchants and Planters Bank.
3. Destroy your remaining checks, debit cards, and ATM cards.
4. Request closure of your previous account with the form below. Writing a check for the remaining balance will not guarantee that your previous account will automatically be closed.

That's it! Now you can start enjoying the benefits of banking with your NEW community bank – Merchants and Planters Bank. If there is anything we can help you with, please let us know.
