Skip Payment Form
Consumer Installment Loans Only
Not valid on Home Loans, Commercial Loans, or
other Real Estate Loans

Name(s): _____

Loan Number: _____

By signing this form, I understand that skipping the payment will result in a **larger final payment**. Interest will continue to accrue during the month the payment is being skipped. If I have credit life insurance for this loan, I understand that the credit life insurance will be **effective** through the **original due date only**. I also understand that my next loan payment will be due on the regularly scheduled month. All other terms and conditions of my loan will remain the same.

All signers on the loan must sign and date the form.

A **\$35 processing fee** applies. The fee must be paid by check or cash and will not be applied to the principal or interest of your loan.

You may only Skip A Payment if:

1. Your loan payment history over the past 12 months **does not** reflect any payment reaching 30 days or greater past due.
2. You have not already extended a monthly payment in the last 12 months.

Skip A Payment valid **November & December 2022 or January 2023** only.

Please consult with a member of our lending staff to ensure you meet the requirements. Once that has been determined, complete this form and give it, along with the \$35 fee, to a member of your lending team.

Indicate what month you would like to skip:

Nov. Dec. Jan.
